

SHUT OFF NOTICES

Just a reminder....

If you need to make payment arrangements to avoid service shut-off, please call City Hall @ 269-792-2265. Local ordinance authorizes the termination of service until all charges, including turn on fee, are paid.

IF your service has been terminated, and you pay your balance and turn on fee after 3:30 pm, your service will be restored **on the next business day.**

Any payment arrangements must be made prior to the shut off day. No exceptions.

Thank you,

Josh Eggleston
City Manager
