# DPW Equipment Operator

• *City of Wayland, Michigan | \$24.46 – \$28.17 Per Hour | Full-Time, Non-Exempt*

The City of Wayland is seeking a qualified DPW Equipment Operator who will support the City Services Unit and the Utilities Unit, depending on the needs of the organization. This position is responsible for performing a wide range of skilled and semi-skilled tasks involving the operation of light and heavy equipment, maintaining and repairing public infrastructure, maintenance of streets, parks, stormwater systems, water and wastewater utilities, and other municipal facilities. Work is performed under general supervision with a focus on safety, efficiency, and responsiveness to public needs, including during emergencies.

---

## ★ WHY JOIN US?

- ✓ Be part of a dedicated team that keeps City services running safely and efficiently.
  - ✓ Hands-on, meaningful work maintaining essential public infrastructure and equipment.
  - ✓ Supportive team culture with strong focus on safety, service, and reliability.
  - ✓ Enjoy stability, competitive pay, and a comprehensive benefits package.
- 

## 🔑 KEY RESPONSIBILITIES

- Operate and maintain light and heavy equipment, vehicles, and power tools used in public works operations.
  - Perform street, utility, and infrastructure maintenance, including repairs, snow removal, and emergency response.
  - Maintain parks, grounds, recreation areas, and public facilities, including pesticide application and event support.
  - Conduct building and facility maintenance, including custodial work, basic carpentry, plumbing, electrical, and painting tasks.
  - Assist with the operation, maintenance, and repair of water, wastewater, and stormwater systems.
  - Perform routine vehicle and equipment inspections, preventative maintenance, and minor repairs.
  - Support emergency operations through traffic control, utility coordination, and incident response.
  - Provide professional customer service, respond to public inquiries, and maintain accurate records and reports.
  - Support departmental operations, seasonal activities, and community events as assigned.
-
