

Help Shape the Future of the Interurban Trail!

West Michigan Trails, the City of Wayland, and Wayland Township invite you to attend a public open house to help guide the future of the proposed Interurban Trail through the City of Wayland and Wayland Township.

**Tuesday, August 18, 2026
5:30pm - 7:30 p.m.
Wayland Township Hall, 1060 129th Avenue**

This is your opportunity to share ideas and help create a trail that reflects the needs and priorities of our community.

We Want Your Input!

We're looking for your thoughts on:

- Potential trail routes through the communities
 - Potential trailhead locations
- Trail amenities such as benches, trailhead and trail signage, parking, bike repair stations, and restrooms
- Local attractions and natural features that should be accessible from the trail

Whether you walk, bike, run, commute, or simply enjoy our parks and public spaces, your ideas will help shape the route study and future trail planning. Stop by anytime during the open house to view maps, learn about the project, ask questions, and share your ideas. No formal presentation is planned, so you can participate at your own pace. Refreshments and snacks will be provided.

SURVEY

Can't Attend?
